In the Beginning--Generosity A Success!

This is the month of Thanksgiving, which for us at St. John's always begins in earnest on Harvest Home Sunday. Both are a celebration of the harvest as we thank God for what He has first given us—ourselves, our time, our possessions—everything we have, everything we are, everything we will be. We pause to acknowledge the giver of all: our God and Father.

As we thank God for what He has first given us, we realize that giving back to God is a spiritual exercise. We say "thank you" to God recognizing His gifts and also entrust that He will continue to provide. We do not have to hold onto everything because He will continue to provide for us in the future. Security lies not in our possessions, not in our wealth, but in God. The future belongs to God.

The In the Beginning—Generosity program was a success because it challenged us to take a step forward in our giving back to God. It is true that where our money is, there our hearts are also. St. John's grew, so far, in giving back to God 4%, which translates into over $15,000 in increased giving for 2027. We are still receiving Estimates of Giving.

The numbers really aren't important.
Taking a step closer to God is.

In this Thanksgiving season we pause to thank God for all our blessings that He has first given us. We come to church to thank Him and ask His continued blessings.

See you in Worship,
Pastor Johnson

All Saints Sunday is

November 1st

On November 1, 2026, we will observe All Saints' Sunday. This day is celebrated as the Church's Memorial Day, when we will remember the members of St. John's Lutheran Church who have gone from the Church Militant to the Church Triumphant during the past year. This is a very meaningful and important Festival of the Church, which dates back to the Third Century. Let us come together on this day to celebrate All Saints' Sunday and to remember each of the following members and their lives:

Emil Debnar
Virginia Dodd
Kurt Zimmerman

We thank you O Lord, for the gift of the saints
who have surrounded us
as we run the race of faith!

The story of Christianity is filled with ordinary people who held fast to Christ in both joyful and difficult seasons. Across the centuries, countless believers have followed Jesus with courage, and many have even given their lives while bearing witness to God's love and the saving grace of Christ. Even today, Christians in some parts of the world continue to face persecution for their faith.

When our relationships get severed,
there is a jump in anxiety.
That is why we need
to go to Church,
To be part of the body of Christ.

in your entire life
was 'thank you,'
that would suffice."

Katie's Cupboard

Again, this year we have created a Reverse Advent Calendar and included Epiphany as well.

St John's shines God's grace and light in the community with our cupboard and this addition is something "fun" to get you thinking of *"star"* items, *warm* items (gifts to the manger), *teaching* items/books (Jesus as a boy at temple) or *miracle* items, the Wedding at Cana (water in to wine). See the attached list in this month's newsletter.

If you would care to volunteer, have great ideas for further this ministry, or can offer suggestions, please contact any member of council, Amber Zurn 724/902-9471 or Tammy Fleeger 724/664-1773.

January 6

EPIPHANY

During the season of Epiphany, we reflect on Jesus' manifestation (his appearance or revelation) to the world as the Messiah/Christ, the anointed one of God. Over the next weeks, look for the stories of Jesus' revelatory light, whether it be in the star leading the magi of the east to his manger, the astonishment of the teachers in the temple at the twelve-year-old Jesus' knowledge of God, the pronouncement of the Father and descent of the Spirit at Jesus' baptism by John the Baptist or Jesus first Miracle at the Wedding at Cana.

Can you ***Shine your light*** and donate: Warm hats and gloves and scarfs for in the cupboard? Chicken and *Stars* soup? Single use handwarmers? Children's books? Grape jelly and juice?

A Day to Honor Our Veterans

On November 11, 1918, the Germans and the Allied Nations, which included the United States, signed a document to initiate an armistice (cessation of hostilities), thus ending World War I. A year later, President Woodrow Wilson issued a proclamation designating November 11th as Armistice Day. It was to be a day of reflection — a day to remember those who died in the country's service and to offer Americans the opportunity "to show sympathy with peace and justice in the councils of the nation."

Wanting to recognize more specifically America's veterans, Congress passed a bill changing the name of the day from Armistice Day to Veterans Day. The change was made in May 1954.

On this national holiday, churches around the nation hold services of prayers and praise. Followers of the Prince of Peace pray for peace among the nations of Earth and for the day when "they shall beat their swords into plowshares, and their spears into pruning hooks; nation shall not lift up sword against nation, neither shall they learn war any more" (Isaiah 2:4, NRSV).

Annual Thrivent "Turkey" Luncheon on Sunday, November 8, 2026 following Worship.

WHY ESTIMATE GIVING?

Estimate of Giving, Plan for Giving, Faith Commitment, Promise, Covenant or whatever you call it; it is important in the life of our church today. The rapid change taking place in the world and the needs of the world make it very important that I develop a plan for proportionate giving to and through my church, write down my weekly intention, and put my name to it....

Because I need to make plans at least **once each year to grow** in my giving and manage to the best of my ability the dollar resources with which God has blessed me.

Because God gives me the grace to give, and that **grace moves me to make a firm commitment** to my church -- contributing a portion of my time, talents and financial blessings for our Lord's mission and ministry.

Because in estimating my giving I make an effort to show just how much God is the God of my life, and in growing in my commitment each year I give external evidence of my internal priorities. **I put God first. I risk in faith. I trust in God to provide.**

Because **God has asked for my commitment** -- not just that I give -- but that I be committed to justice and mercy and faith in all the world. As a Christian, my estimate of giving is **foundational to all ministry** and helps my church plan for and provide such programs of ministry.

Because **God is important in my life** and my personal support of our Lord's ministry is a way to make a difference in the world.

Because **Christians lead by example.** Jesus set the example for me to follow in stewardship. If Christ was not afraid to be nailed to the cross for me, I certainly am not afraid to affix my name to an estimate of giving for his work. It is an outward expression of my love for him.

Because I know that the **discipline of making an estimate and sticking to it** is in direct response to a loving God who paid his life to me, in full, on Calvary

Because the **programs for ministry** that my congregation and my church at large provide for me and my family **are important** in our life, and **anything so important takes planning and commitment.**

Because I do not believe that any **Church Council can make meaningful decisions concerning ministry without first knowing what can be expected** in support of those ministries.

Because in my estimate **I commit freely and openly**. It is **neither legal nor legally binding.** It expresses my hopes and cares for the programs of ministry that proclaim Christ's love for the world.

And Because it enables me to be **truly intentional** about my own personal stewardship. I can prayerfully consider what God is calling me to give to the ministry of Christ's Church and make a conscientious decision about my response.

This holiday season, choose patience, extend grace and protect the peace around your table.

Don't Let It Get Under Your Skin

Holidays are meant to bring joy, yet they can easily become stressful. A careless comment, an unmet expectation or a simple misunderstanding may lead to hurt feelings and family tension. Before long, a small disagreement can grow into an argument that overshadows the celebration.

In moments like these, remember the wise teacher who chose to let slights and insults pass. He explained, "I have only one skin, and it covers me very well. I don't let anyone else get under it."

A Reason to Give Thanks

After Eddie Rickenbacker and his companions were rescued after more than three weeks adrift in life rafts in the Pacific, he was asked what lesson he had learned from the ordeal.

He answered that anyone with plenty of fresh water to drink and enough food to eat should never complain.

His words still speak clearly today. Many blessings can become so familiar that we barely notice them. This Thanksgiving, pause to give thanks for clean water, nourishing food, a safe place to rest and the people God has placed in your life. Let gratitude continue long after the holiday table is cleared.
