Christ Is Risen!

CHRIST  
IS RISEN  
INDEED *Alleluia*

I write this the day after Easter. I am still glowing from worship. Lutherans know how to worship!

We enter into God's house. We sit down. We look to the left and to the right—surrounded by sinners. God's house is the place where the Great Physician comes to meet the sick. We are a hospital for sinners.

Jesus Himself comes to bring the cure from the "sickness unto death—" the forgiveness of sin. We respond to this gift by singing the first hymn—offering our worship through singing.

We stand and sit and worship with our whole body. The quip is true: Lutheran Calisthenics up/down/up/down is not because we need the exercise but because worship is not a show, something that we watch as the real action takes place up front, but because we are the actors in worship. We sing, we stand, we sit worshipping. Liturgy means, "Work of the people."

Take for example the Kyrie. The cantor bids: "in peace, let us pray to the Lord." We respond "Lord have mercy" as we are praying to God for peace, for each other, for the world. The body of Christ gathers to pray.

In Holy Communion Jesus comes to eat and drink with sinners. He feeds us with His precious body and blood that we might become the body of Christ for the world. We are strengthened to go and spread the Good News that because Jesus lives, we shall live too. Because Jesus lives, sin, death and the devil do not have the final word.

Worship is saying "thank you." Our God gives us all we have and all we need. Sunday morning is a time when we come to worship God to say, "Thank you!" This month is filled with thank yous. Thank God for our mothers. Thank God for our veterans and their sacrifice. Thank God for His abundant blessings as we return a proportion of what we have first received in praise and thanksgiving for what He has first given us.

See you in Worship,

*Pastor Johnson*

**Katie's Cupboard @ St Johns will be needed more than ever!** If you should bring your items on a Sunday, please leave on the cart in the Gathering Space.

*It is still **always possible** to leave in the cupboard daily as **the Holy Spirit moves you!** This way we can bless the cupboard thru the week **and** weekends consistently.*

Pray over this, when you are shopping what needs do YOU address for your household that you could purchase to bless this ministry as well?

**Please remember you are feeding Jesus' flock**  
**No opened, used, home canned or expired items please.**

## Heading into the hospital?

***If you or a member of your family is hospitalized, please contact the office @ 724-548-2051. Because of confidentiality issues, the hospitals are not as helpful in notifying us as they once were.***

Our Continental Convocation will be here in Downtown Pittsburgh this year--August 3rd thru August 8th at the Omni William Penn Hotel.

As the host Mission District, we are being asked to help staff this event with volunteers to help out.

Below are the general descriptions of the volunteers we will need:

### **Volunteer Opportunities**

**Hosts:** Serve as greeters and provide information to attendees; are stationed at places throughout hotel facility to help attendees find meeting rooms, restrooms, meal area(s) and the display area.

**Registration:** Serve to welcome and check in attendees; includes distributing materials, nametags, voting equipment.

**Display Assistants:** Assist various ministries with getting materials to the display area, setting up displays and finding their way around the hotel.

**Ushers:** Check credentials at doors and provide information and assistance at all general sessions; serve as ushers during worship services.

**First Aid/Medical Response:** Individuals trained in First Aid and/or Medical Response who can provide minor first aid and/or assistance or direction in case of a medical emergency.

**Camera Operators Audio/Video:** Work closely with the Technology Director to operate cameras during worship or plenary sessions. Zooming, panning, focusing, and framing video shots per the director's request. A short amount of training provided. Mostly standing.

***Orientation and training is provided for each role.***

We are also looking for each church to have a volunteer coordinator to help with this request.

There will soon be a sign up program online where you can sign up for what and when you can help out with. Updates will be sent via emails to the churches and on our Mission District website.

Thank you in advance for all of your help!!

May God continue to bless us as we strive to do His work.

Your brother in Christ,  
Steve Krepp - Local Volunteer Coordinator -  
2025 NALC Continental Convocation

## The language of lament

Unlike nonbelievers, Christians can grieve with hope (see 1 Thessalonians 4:13-18). On Memorial Day and at Christian funerals and burials, our lament is real — and it's a uniquely Christian concept, according to Pastor Mark Vroegop. "It takes faith to pray when you are in pain," he writes in *Dark Clouds, Deep Mercy*. "Belief in God creates challenging questions, and lament provides the opportunity to reorient your hurting heart toward what is true. But in order for that to happen, you have to turn to prayer. The silent treatment must end."

Vroegop, who had a stillborn daughter, says lament opens a door that leads to trust. Heartfelt lament, he says, can be brief or messy and can feel forced or uncomfortable. But the important thing is to "keep talking to God."

"Don't allow your fear, your despair or your track record of silence to cut off the flow of grace," he urges. "Your pain can be a path toward God if you'll allow lament to be your new language."

## **We have a Texting App!**

Mojo texting was created FOR churches! It is safe and doesn't sell your number to anyone else! If you would like to receive schedule changes, updates, reminders and announcements from St. John's, please text the word **GRACE** to 7242765321. It will send you a welcome message. You will now receive important messages via text about what's going on at St. John's! Messages will only be sent out on occasion and when important changes need to be communicated.

Thank you so much!

If you have any questions, please contact Julie Smith.

**Wear A Poppy for remembrance**

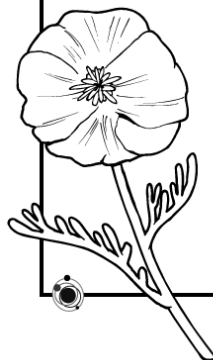

## *In Flanders' Fields*

In Flanders fields the poppies blow  
Between the crosses, row on row,  
That mark our place; and in the sky  
The larks still bravely singing, fly  
Scarce heard amid the guns below.

We are the Dead. Short days ago  
We lived, felt dawn, saw sunset glow,  
Loved and were loved, and now we lie  
In Flanders' fields.

Take up our quarrel with the foe:  
To you from failing hands we throw  
The torch; be yours to hold it high.  
If ye break faith with us who die  
We shall not sleep, tho poppies grow  
In Flanders' fields.

*Forgiveness does not mean ignoring what has been done or putting a false label on an evil act. It means, rather, that the evil act no longer remains as a barrier to the relationship. Forgiveness is a catalyst creating the atmosphere necessary for a fresh start and a new beginning. It is the lifting of a burden or the canceling of a debt.*
